

Office of Undergraduate Admissions

In order to maintain a safe environment for the Goucher community and visitors, the following guidelines must be followed:

Prior To Visit:

- Visitors are only permitted to bring **2 guests**.
- Visitors **must be fully vaccinated and have received a booster (if eligible) for COVID-19**.
- Visitors **must have a N-95, KN-95 or KF-94 mask** (*the Admissions Office does have a limited supply of masks available for visitors*).
- Visiting guests are asked to check their temperature prior to departing for campus. If any guest has a fever above 100.3° F, cough, shortness of breath, or other [coronavirus symptoms](#); do not come for the visit and contact your healthcare provider.

During Visit:

- Plan to arrive for the visit no earlier than 10 minutes prior to the start of your first activity. Visitors will not be permitted on-campus prior to that.
- Visitors are required to check-in at the gatehouse upon arrival.
- Visitors **are required to wear a N-95, KN-95 or KF-94 mask covering their nose and mouth while in buildings**. A mask is not required while outdoors. No exceptions will be made to this policy.
- Visitors should maintain a safe distance from all persons on campus except those in their party.
- Visitors will not be permitted to walk around campus outside of a scheduled student-led tour.
- Visitors are required to follow the verbal instructions of all Goucher employees during their visit.
- Visitors are asked to depart campus no later than 10 minutes after the conclusion of their last scheduled activity.

Failure to comply with these protocols will result in the immediate termination of your visit and removal from campus.
